Background and Methodology

Background and Methodology

Background

The Louisville Bar Association (LBA) contracted the services of Wilkerson & Associates to assist in its annual review of the performance of sitting judges. The LBA sent evaluations to all Kentucky Bar Association members with contact addresses in Jefferson County to rate the performance of various judges with whom they have had experience over the past two years. Jefferson Family Court and Jefferson Circuit Court judges were included in the evaluation for 2006.

Methodology

Letters and postcards were sent to an estimated 3,850 members in January 2007, informing them of the annual Judicial Evaluation. Members who were qualified to participate in the review were asked to fill out the postcard request and return it to Wilkerson & Associates no later than January 18. A total of 648 postcard requests were received by the postmark date. Survey packets and return envelopes were mailed to the 648 members in mid-February. Reminder e-mails were sent approximately two weeks later. Respondents were asked to return the completed evaluation forms to Wilkerson & Associates postmarked no later than March 12, 2007. A total of 346 completed survey forms were returned by the postmark date.

The judges rated during the 2006 evaluation include:

Jefferson Circuit Court:

- Denise G. Clayton
- Martin F. McDonald
- Judith McDonald-Burkman
- Stephen K. Mershon
- Kathleen Voor Montano
- Geoffrey P. Morris
- James M. Shake
- Barry L. Willett

Jefferson Family Court:

- Dolly Wisman Berry
- Jerry J. Bowles
- Joan L. Byer
- Patty Walker FitzGerald
- Eleanore M. Garber
- Stephen M. George
- Hugh Smith Haynie
- Joseph W. O'Reilly
- Paula F. Sherlock

Questionnaire

The survey instrument included a series of 19 attributes for circuit court and 18 for family court that were used to evaluate the performance of each judge. Respondents were asked to indicate the extent to which they agreed or disagreed with each statement used to describe a particular judge using a four-point rating scale of strongly disagree, disagree, agree and strongly agree. Respondents were also given an option to write in any advice they would give to a particular judge to improve his/her performance. These comments were provided only to the applicable judge under separate cover as confidential feedback for his or her personal review. General comments on how to improve the evaluation process or the court system were submitted to the LBA under separate cover.

Respondents were instructed to rate only those judges with whom they have had substantial professional contact within the past two years.

Response Rate

Because of the size of the litigation bar and the nature of such practice, only a limited number of attorneys have had significant experience with a particular judge in a specific court. Consequently, from the original 3,850 attorneys who received notice of the evaluation, just a fraction could reasonably be expected to respond to the survey questions. Of those attorneys who were qualified and agreed to respond to the evaluation, many may have significant experience in only one of the courts evaluated or with a limited number of the judges listed. Still, the number of lawyers responding is more than adequate to result in a statistically valid evaluation of the judiciary.

The judges rated during the 2006 evaluation and the total number of respondents rating each judge are shown below:
